Parents Involved in Education

JOIN US

MONDAY, JANUARY 28, 2019

6:00 PM–7:30 PM

Parent University was created to provide parents, caregivers, and guardians with information about their vital role in education for high school students. Sessions will focus on teen academic needs, school expectations, college/career readiness, social and emotional problems in adolescences, bullying policies, the impact of social media, and ways to help high school students be successful.

Dinner will be provided

Door Prizes!
